

MHET'S 5TH ANNIVERSARY:

***OUR POWER
OUR FUTURE***

5-YEAR ANNIVERSARY GALA

OCTOBER 16, 2026 | 6:00 PM – 9:00 PM | WILTWYCK GOLF CLUB

What is MHET's 5-Year Anniversary Gala?

Five years ago, Mid-Hudson Energy Transition was a vision. **Now, it's a movement.**

On October 16th, we are bringing together the people who helped build MHET, and the people who will help carry it forward, for **an evening of celebration and fundraising in the Hudson Valley.**

This is our inaugural gala. It will honor the community leaders, funders, and partners who made our first five years possible, and raise the resources to power the next chapter of our work.

Who's going to be there?

When you sponsor MHET's Gala, you enter a room that is hard to get into and worth being in.

- **Legal leaders** advancing environmental and energy equity
- **Community bankers and lenders** driving economic resilience
- **Philanthropists and foundation officers** investing in climate justice
- **Faith-based and community leaders** with deep roots across the region
- **Higher education** at the intersection of climate, equity, and policy
- **Businesses** committed to a just and sustainable Hudson Valley
- **Elected officials and municipal leaders** shaping the region's energy future

Everyone in this room is working toward a more equitable Hudson Valley. Come be part of that conversation.

58%

of the community members we serve identify as BIPOC — making MHET one of the most trusted bridges to a network that is genuinely hard to reach and actively shaping what comes next.

Our 5-Year Anniversary Gala is:

A **celebration** of community-driven **energy justice** in the Hudson Valley

A fundraiser **where every dollar raised is reinvested** directly into our programs and the future we're building together

The evening will:

Honor Special Guests

We will present five awards to our Honorees, one for each year of impact!

Celebrate Five Years of Real Impact

We're five years in and we have a lot to show for it. Let's celebrate what this community has built together!

Put Every Dollar Back Into the Community

Every single dollar raised at the Gala goes directly to our neighbors who need it most

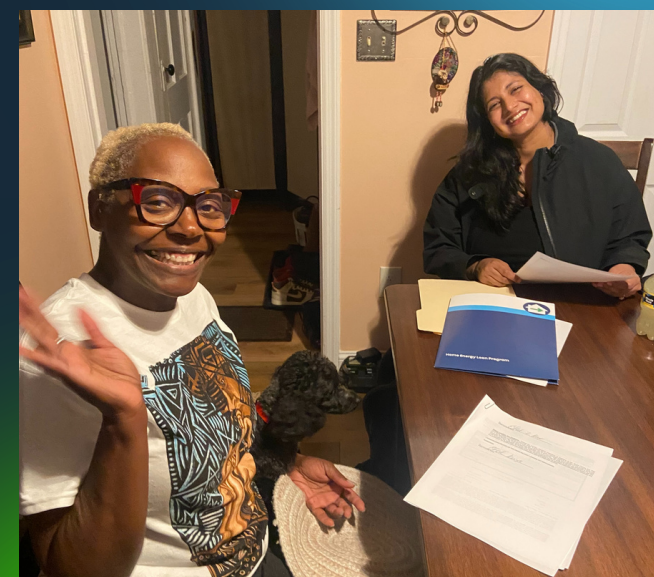

Why Sponsor?

Sponsoring MHET's 5-Year Anniversary Gala is more than a brand placement, it's a statement about who you are and what you stand for.

As a sponsor, you will:

- **Fund work that transforms lives.** Families who were one utility shutoff away from crisis now have safe, energy-efficient homes; neighbors who didn't know help existed are now leading others to it
- **Connect directly with a curated network** of legal, financial, philanthropic, faith-based, academic, and civic leaders, including communities that have historically been underserved by the institutions that most want to reach them
- **Be seen as a champion** of energy justice and community resilience in the region
- **Demonstrate your values** to an audience that makes decisions about who they partner with, fund, and support
- **Help make this event possible.** Every dollar raised goes directly back into the community we serve

ABOUT MHET

Mid-Hudson Energy Transition is Kingston's trusted guide through the energy transition.

We work directly with low-income homeowners, renters, and residents who have been first in line for harm and last in line for help — navigating the maze of federal, state, and local programs on their behalf to unlock grants, savings, and resources they couldn't access alone.

To date, we have completed over 100 home upgrade projects, engaged over 4,500 community members, and unlocked \$5 in public funding for every dollar we spend.

And we are just getting started.

Thank You!

Ready to Partner With Us?

We would love to have you with us on October 16th!
